## ATTENDANCE & COURSE REQUIREMENTS

Online courses require a time commitment of 6+ hours a day.

Course material is covered in a short period of time in Summer School; therefore, it is very important that online attendance be made a priority. Students who miss more than 3 days, or do not complete course work as assigned will be removed from the course. ALL course work must be completed within the Summer School timelines.

Students, and their families, must ensure that jobs, holidays and other activities do not jeopardize student enrolment status.

Parent or guardian email must be provided to the guidance teacher at the time of registration.

Summer School credits are granted upon eligibility confirmation by the Guidance Department.

Students must ensure that all admission requirements have been met.
