## Secondary School

PRINCIPAL: RUTH ELLEN CUMMINGS

VICE PRINCIPAL: STACEY DUNNING  
VICE PRINCIPAL: BRAD WILSON

Dear BSS Class of 2021,

After much delay and uncertainty, we are pleased to share with you the details of the graduation ceremony for the **Bayside Secondary School Graduating Class of 2021**. This much anticipated event will take place on **Thursday, June 24th from 11 am to 6 pm** on our beautiful campus grounds and we will celebrate graduates in cohorts of 5 students each on our outdoor stage while their loved ones watch safely by their vehicle. While we must adhere to the most up-to-date public health regulations, we want to be able to celebrate together with our Graduating Class. This is your moment!

On Graduation day, Graduates will arrive with their family 5 minutes prior to their *reserved* cohort ceremony time. Please follow the markers and park in the assigned area at the front of the school. Guests will remain at their vehicle while the graduate takes their place on the stage with their cohort. Each cohort will have a personalized ceremony with the Principal and receive their special graduation package while guests watch on. A photographer will be on site to capture the moment and those pictures will be posted on our website. Following your reserved ceremony, the graduate and their family will be directed to the photo area for an opportunity to capture a few more memories before you leave Bayside campus as a Graduate and become one of our elite Bayside Alumni.

### The Details

- Graduates are asked to sign up for a timeslot on our online booking system that will go live on **Friday, June 11 at 2:30 pm**. Make sure to check your @apps email or the Bayside website for the link.
- Please plan to come to Bayside on **Monday, June 21 between 11 am- 5 pm** to pick up your *Bayside Graduate yard sign and your grad kit* which contains your gown, hat and year tassel. Don't worry if you didn't order one, there is one there for you! You will be asked to complete the graduate form that day so we will be able to share what next year looks like for you as part of the ceremony on the 24th. You might desire to iron out your gown in advance of the ceremony.
- At **10 am on June 24th**, the Principal's Address, Land Recognition, Valedictorian Address and a recording of the program will be posted to the Bayside website for all to enjoy.
- On **June 24th**, 5 minutes prior to your chosen time, you will arrive in your cap and gown with your family to the main entrance of Bayside. There will be clear directions for your car to follow. You will join your cohort of 5 students on the front steps. At your time slot, you will be directed to the stage where you will participate in the ceremony with your cohort. Pictures will be taken and posted to the website following graduation. Your family will watch from the traffic circle.
- Following your cohorted ceremony, you will rejoin your family in your car and move forward to another photo area should you desire.
- We kindly ask that families follow public health protocol at this time.

We are looking forward to celebrating our 2021 Graduates and your accomplishments during these unique times.

Sincerely,  
The Bayside Staff and Administration
